

Chemtech

MADE TO WORK

SUPERFOAM

CHEMTECH® CT18® Super Foam™ is used for a quick in-between clean or as a pre-wash soak that removes grit to prevent scratches, swirling and excessive use of elbow grease. The long-lasting high foam action makes it tough on Aussie dirt, mud and grime whilst still being gentle on paintwork and our planet.

Easy to apply with a high-pressure foam gun, it's heavy-duty formulation with rust inhibitors, lifts and loosens stubborn dirt and dried on mud from the largest or most adventurous vehicles. CT18® Super Foam™ has a pH neutral, biodegradable formula that is safe to use on any vehicle and almost any surface, including modern vehicle finishes, polished wheels, plastic trim, fibreglass, all metal types, rubber, vinyl and glass.

SUPERFOAM

- ✓ Powerful foaming wash for use with a high pressure foam gun to make quick work of washing your vehicles
- ✓ Enhanced formula with additional hard surface cleaning properties that break down & remove the toughest dirt, mud & grime without having to use a brush or sponge.
- Safe to use on any surface and prevents rust, corrosion, scratches & swirl marks.
- Perfect for use as a truck, car and motorbike wash.
- Super concentrated formula means you get more washes out of each bottle.

SUPERWASH

- Powerful multi-purpose biodegradable gel made for big and small cleaning jobs.
- Breaks down and removes the toughest dirt, mud, grease, oil film, grime, soot and bugs.
- Safe to use on any surface so you can wash worry-free.
- Perfect for use as a truck, car and motorbike wash.
- Super concentrated formula.
