Part No. 305405

# OIL FILTER CUP WRENCH HEAVY DUTY 64.5 x 14 Flutes

- Perfect fit for plastic and aluminium cartridge filter housings including metal spin-on type oil filters
- Specifically designed for safe removal and to minimise slippage on stubborn oil filters
- Suitable for most Toyota and Lexus V6, V8 and inline 4 & 6 cylinder engines
- Enables precise torque application to manufacturer's specifications
- Compact design with two drive options to allow user to manoeuvre in tight spaces
- High sheen stain finish allows for easy cleaning
- Manufactured from heavy duty S45C steel for strength and durability

Note: Do not use with impact wrench or power tools

**Also suits Tridon Oil Filter Caps**
