

## for new generation diesels

### **Valvoline Diesel Extra Motor Oils**

Valvoline's Diesel Extra range is a new generation diesel engine oil that incorporates both European and American technology. Valvoline's Diesel Extra range of motor oils are recommended for European sourced engines such as Volvo and Mercedes Benz and it is also recommended for the American sourced engines, Cummins, Caterpillar and Mack (consult OEM recommendations).

Optimised to provide maximum durability in the new generation of heavy-duty diesel engines.

- Reduces maintenance costs by allowing for longer drain intervals.
- Promotes soot control, engine durability and engine cleanliness.
