

# Product Information

A PRODUCT OF THE VALVOLINE COMPANY A DIVISION OF ASHLAND INC.

## VALVOLINE DURABLEND GEAR OIL

**Valvoline DuraBlend Gear Oils** are outstanding partial-synthetic sulfur-phosphorus, extreme pressure gear lubricants. They provide enhanced performance in both low-temperature and high-temperature operating conditions.

These products are recommended for conventional rear axles, limited slip rear axles and transmissions requiring EP gear lubes under high speed, high load, high torque, high horsepower conditions.
